Dear Parents,

I've attached a Book Fair book list that highlights just a few of the books available at the fair. When the children come to the book fair they can fill out a wish list. They will bring this list home to you. I have told the children this is JUST a wish list. If you choose to let your child purchase books, you can write a check to St. Genevieve School and send the list back the next day. We will also accept credit cards this year. There will be sales tax. Tax will be 8%. We will fill the order and give the books to your child at school.

The Fair also is an opportunity to donate books to your child's classroom. Teachers have submitted "Wish Lists" of books that would enrich their classroom libraries. When you visit the Fair, you can find out which books they have requested and purchase one or more to donate. Each donated book will be recognized with a bookplate identifying your child or family as the donor. This year, you can also purchase gift certificates for your child's teacher in increments of \$5.00.

Every student gets to visit the fair, and I hope you and other family members will stop by as well. If you have more than one child at St. Genevieve, you may want to come during recess with all of your children. You can come to the fair any time during school hours and also attend our special Family Event.
