DID YOU KNOW...

...that last night's seventh grade Advent Mass was HOLY. This class embraced their responsibility for studying, and imparting to others, the history of the lineage of Jesus. They did an outstanding job. We are so very proud of them.

...that our band concert of this past Monday was absolutely wonderful. Our students were *very* well prepared. They are to be commended for the many "before school" hours that they and their parents have dedicated to their music education. Our sincere thanks to our band director, Mr. Tim Robichaux and his assistants for providing this opportunity for our students.

...that Ms. Gina Coggins, a former St. Genevieve teacher, will be taking Mrs. Toy's place for the rest of the year. Please continue to pray for Ms. Toy.

...that our sixth graders social studies and science projects were wonderful!

...that we have a new display of paintings in the library thanks to Dr. Forbes. The landscape paintings are set in the beautiful Rocky Mountains close to Estes Park. You can view the art on our website by going to Edline. Look under News---click on library art.

...that we are grateful to all of you who sent clothes for the Haven.

...that the St. Genevieve Church cookbooks have arrived! They are available in both the church and school offices. The cost is \$15.00.

MAKE SPECIAL NOTE:

1. Our Epiphany Mass is the Friday of our return. Fourth grade is responsible for the ministries. It is such a special mass. Please try to join us.
2. A prayer is recited over the intercom at 8:45 every morning. We ask that you try not to call school at that time. It only takes a few minutes.
3. School will resume on Tuesday, January 3rd. Lafourche Parish buses will NOT be running.
4. The three-way conference handout that should be reviewed before your child's conference has been posted to the website and Edline.
5. The Altar Server's Christmas banquet is this Saturday at 7 PM.
6. If anyone owns a business and is willing to display a flyer for the St. Genevieve Dream Home please let us know. We would be happy to get one to you. Remember that tickets are available through our school office.
